Important Dates

Full paper submission: June 11, 2017

Extended full paper submission: June 25, 2017

Notification of acceptance: July 11, 2017 July 25, 2017

Final paper submission: September 10, 2017

Conference: October 6 – 7, 2017

Submission guidelines

Submissions will be evaluated through a standard **blind review** process. Track chairs will select reviewers and ensure anonymity of the review process.

Authors are highly encouraged to seek guidance from Track Chairs prior submitting the paper. We highly encourage authors to formalize this process by sending an abstract to the Track Chairs to receive feedback and guidance.

Formal submission must specify the track that they are intended for. Contributions submitted in English are limited to 12 pages (maximum) according to the paper formatting rules that will be available on the conference website.

Publication opportunity

Accepted papers will need to show both relevance and methodological rigor. The best English contributions will be published in a Springer volume of "Lecture notes in Information Systems and Organization" series, already indexed on Scopus (<http://www.springer.com/series/11237>).

Other papers will be published in the conference proceedings (online) with ISBN. At least one author for each accepted paper must attend the conference and present the work.

The online submission system will be available on the conference website, section Submission.
