Stefano Za (LUISS University)

Important Dates

Encouraged abstract submission: April 27, 2018
Full paper submission: May 31, 2018
Notification of acceptance: July 17, 2018
Final paper submission: September 3, 2018
Doctoral Consortium: October 11-12, 2018
Conference: October 12 – 13, 2018

Submission guidelines

Submissions will be evaluated through a standard **blind review** process. Track chairs will select reviewers and ensure anonymity of the review process.

Authors are highly encouraged to seek guidance from Track Chairs prior submitting the paper. We highly encourage authors to formalize this process by sending an abstract to the Track Chairs to receive feedback and guidance.

Formal submission must specify the track that they are intended for. Contributions submitted in English are limited to 12 pages (maximum) according to the paper formatting rules that will be available on the conference website.

Conference Tracks

Organizational change and enabling technologies

Co-Chairs: L. Caporarello (Bocconi U.), E. Scornavacca (U. of Baltimore), S. Za (LUISS U.)

For contacting the Organizing Committee:
itais2018@itais.org

Publication opportunity

Accepted papers will need to show both relevance and methodological rigor. The best English contributions will be published in a Springer volume of "Lecture notes in Information Systems and Organization" series, already indexed on Scopus (http://www.springer.com/series/11237).

Other papers will be published in the conference proceedings (online) with ISBN. At least one author for each accepted paper must attend the conference and present the work. The online submission system will be available on the conference website, section Submission.
